

Rockburn Elementary School

This presentation, as well as the overview newsletter distributed the first week of school, can be found on The Rockburn Website in the Gifted and Talented section of the Departments Page.

School-wide Enrichment Program

Howard County Gifted and Talented
Program

Mission of the Gifted and Talented Program

The Gifted and Talented Education Program seeks to recognize and develop talents in advanced-level learners.

Gifted behavior occurs when above average ability, creativity, and motivation overlap.

Schoolwide Enrichment

- ◆ 4th and 5th grade GT Math
- ◆ Math Enrichment for grade 3
- ◆ Curriculum-based Enrichment Units (1-5)
- ◆ Kindergarten Talent Spotting lessons
- ◆ Instructional Seminars

4th and 5th Grade Math

- ✦ An identified group of students
- ✦ The mathematics is accelerated and enriched by as much as two years
- ✦ Focus is on problem solving and application of mathematical skills
- ✦ Extension of the Common Core curriculum to meet the needs of students and prepare them for Pre-Algebra in the 6th grade
- ✦ Various Assessment Methods
- ✦ Nightly homework
- ✦ Math Olympiads (Weekend homework)
- ✦ See your child's math course in Canvas to find the specific course content

Curriculum-based Enrichment Groups

- ◆ Students recommended by teachers based upon criteria in that specific academic area

(For example: Reading and Writing Levels, Standardized Scores, Task Commitment, Creativity, Motivation, Ability in Subject Area, Teacher Recommendation, Talent Spotting Lessons)

- ◆ Various subject areas will be enriched throughout the year

- ◆ Products will be on display at the Enrichment Fair
